SEATTLE TILTH TO TEACH CONTAINER GARDENING, COMPOSTING IN DOWNTOWN PARKS FOR APARTMENT AND CONDO DWELLERS

This summer, Seattle Tilth will teach apartment and condominium dwellers how to grow vegetables and herbs in containers and how to compost food waste indoors or on balconies or patios. The classes are great for beginning gardeners and can also help more experienced gardeners troubleshoot or get new ideas. Seattle Tilth wants to show you how to grow your own food organically and reduce waste even if you don’t have a yard or P-Patch plot!

Victor Steinbrueck Park, 2001 Western Ave.
Wednesdays, 5 – 7 p.m.
June 25: Container Veggie Gardening
July 2: Composting for Apartment Dwellers
July 9: Culinary Herb Gardening
August 6: Organic Pest and Disease Control
August 13: Garden with your Kids!

-more-

Thursdays, 5 – 7 p.m.

Founded in 1978, Seattle Tilth is a nationally recognized nonprofit organization dedicated to cultivating a sustainable community, one garden at a time. In demonstration gardens and P-Patches and other community gardens across the region, Tilth teaches people how to improve their environment by using organic gardening techniques. Tilth’s mission is to inspire and educate people to garden organically, conserve natural resources, and support local food systems to cultivate a healthy urban environment and community.

For more information, please visit www.seattletilth.org or call 206-633-0451. Seattle Tilth is located at 4649 Sunnyside Ave. N, Seattle, WA 98103.
